

Dance Ballerina Dance for me

Dance Ballerina dance for me
From your picture where you sit so pensively
Dance ballerina dance for me

Wont you dance for me through the night
Wont you tread the floor with you steps so light
Dance ballerina dance for me

Dance ballerina dance for me
Wont you smile just a little smile to see
Dance Ballerina dance for me

Wont you dance for me wild and free
Like the wind blows through the trees
Dance ballerina dance for me

Wont you dance, wont you dance
Dance for me

Dance ballerina dance for me
What makes you look so sad and lonely
Dance ballerina dance for me

Wont you dance for me when the lights are low
Wont you dance for me pirouette real slow
Dance ballerina dance for me

Dance ballerina dance for me
With footsteps oh so wild and fancy free
Dance ballerina dance for me

Wont you dance for me through the night
Wont you tread the floor with you steps so light
Dance ballerina dance for me

Wont you dance, wont you dance
Dance for me
